Subject: Wayne Peters Elected President of CAUT

We are pleased to announce that on Saturday delegates attending CAUT Council elected Wayne Peters as President of CAUT for 2011/12.

Wayne has just concluded three years of service as the UPEIFA Past-President, preceded by four years as President. We thank Wayne for his outstanding leadership and dedicated service within the UPEIFA, and wish him well in his new national role.

Founded in 1951, CAUT (the Canadian Association of University Teachers) is the national voice of more than 65,000 academic staff in universities and colleges across the country, defending academic freedom and working actively to improve the quality and accessibility of post-secondary education.
