To: All Members of the Faculty Association
Date: Monday, May 12, 2008
Subject: New Grievance Officers Appointed

The Executive Committee of the UPEIFA is very pleased to announce that Gordon MacDonald (Math and Statistics) has been appointed as the Association's Chief Grievance Officer. We are also very pleased to announce that he will be assisted by two additional Grievance Officers, Philip Smith (Psychology) and Chris Riley (Health Management). These appointments acknowledge the Association's commitment, and that of its membership, to defending our collective agreement rights.

Effective immediately, all members are directed to contact Gordon MacDonald regarding any grievance or discipline related issues or enquiries. He can be contacted by telephone (628-4329) or by email (gmacdonald@upei.ca).

In making these appointments, the Executive Committee wishes to acknowledge the significant contributions made by Robert O'Rourke who has been our Chief Grievance Officer since January, 2005. His efforts have been pivotal in the Association's defense of our collective agreement rights.
